## get a like-minded instructor

**Mckenna Lenderink** (*Swim School Supervisor*) has swam competitively for over 10 years and is currently swimming at the Division III collegiate level for her college. She has coached a wide range of ages for one of the most competitive club swim teams in the state. Her encouraging personality gives new swimmers the confidence they need to become water-safe while still maintaining a vast knowledge of stroke technique that can improve the ability and performance of even the most competitive swimmers.

**Jacy G.** swam at the NAIA collegiate level in college and has coached for one of the most competitive club swim teams in the state. Her bright personality always encourages her swimmers to do their best and get excited for new swim experiences. Her collegiate experience also gives her the knowledge and ability to improve the stroke technique and overall performance of swimmers of all ages.

**Jacob M.** loves working with kids. His bright and fun personality puts nervous kids at ease in the pool. Jacob specializes in water safety and teaching relatively new swimmers how to have fun while also being safe in the pool.

## private lessons

Schedule private lessons at Montessori Academy, one of our other partner locations, or even your own backyard pool. Our instructors will work one-on-one with your swimmer to create a program custom-designed to address their specific needs to ensure they're able to progress faster than possible with our group lessons.

## lightning-fast swimmer growth

Licensed from the Starfish Aquatics Institute, our Starfish Swimming program combines innovative and effective teaching methods with safety methods built in to each stage to ensure a fast, safe learning path for every swimmer. Since we solely provide one-on-one private swimming lessons, your swimmer gets more time to master challenging tasks while skimming over material that registers quickly.

## group lesson times

### STARFISH

*Mon, Wed, & every other Friday 3:30p-4:00p*

For those swimmers that haven't had lessons before and are unable to swim on their own. We'll focus on making sure your swimmer is water-safe before moving on to the next level.

### KING CRAB

*Mon, Wed, & every other Friday 4:00p-4:30p*

For swimmers that are water-safe but still need some help with their swim strokes. We'll focus on making sure your swimmer knows freestyle and backstroke so they can swim confidently across any pool.

### OCTOPUS

*Tues, Thurs, & every other Friday 3:30p-4:00p*

For those swimmers that can confidently swim freestyle and backstroke. We'll focus on breaststroke and preliminary butterfly for this group.

### SHARK

*Tues, Thurs, & every other Friday 4:00p-4:30p*

For swimmers that know all four strokes and are now working to refine them. This group will prepare swimmers for transition into a competitive swim team.
