

Drummers Unite

Drummers Unite is a music program organized by Mr. Matthew. Open for 1st through 8th graders. All levels of music experience are welcomed and encouraged to join.

The program will be focused on percussion instruments and music notation. This includes learning how to read and write music, playing different drums, and learning names & history of various percussion instruments from around the world.

Mr. Matthew has been playing percussion for 16 years. He has experience in many different styles of music/percussion instruments and would love the opportunity to share his passion with others.
