The single artwork selected will be used as a logo for our 2018 Green Day T-shirts.

Decide whether you will design a small logo, or a large one, thinking about whether it will be placed over left upper chest area, or entire central chest area.

Draw the logo only; not the whole shirt. Include the text "Montessori Academy" in your design.

Selected artwork may need to be modified slightly for sizing, location, and color availability to ensure a wonderful final t-shirt is produced.

Contact Ms. Cross if you have questions.
