Setting a New Standard for Educational Excellence

Dear Donor,

Montessori Academy is an exceptional public charter school providing education for pre-kindergarten through eighth grade students since 2002.

Each component of our students' educational journey instills a love of learning, high self-esteem, and positive values resulting in high academic achievement. Our class sizes are below the state average, our parental involvement is strong, and our students are truly excelling. Our delivery on our vision is a testament to our dedication to education and to making a difference in the lives of children.

Our premiere, annual fundraiser event, **Shining Stars Gala**, is scheduled for Saturday, April 7, 2018, and we are in need of donations. We are soliciting items to be donated from businesses around Arizona, such as gift certificates, services, or merchandise. We will graciously accept monetary donations toward the purchase of larger items, such as large-screen televisions, electronics, and more. Anything you can do to help will be greatly appreciated.

Your contribution to this event is tax-deductible as we are a 501(c)(3) non-profit. Our Federal Tax ID (EIN) is 75-2990833. All donations go directly to the school for such uses as technology improvement, supplies for STEM modules, keeping student-teacher ratios low, and expanding our outstanding educational experience to greater numbers of our community's students.

Your Contribution makes a Difference in the Life of a Student!
