

2019-2020 School Supply List – Senior Elementary

Parents please follow the list exactly. While shopping please consider if certain items will distract your child, for example, a hand held pencil sharpener in the shape of an airplane, and avoid such items. Extra items will be sent home. 6th graders are the only ones allowed to bring a backpack for their Math textbook. All other students may bring a Montessori Academy drawstring bag available for purchase at the front office.
